

Tool Assignments

Department Tool Assignments

(Set by Riding Positions or Job Assignment)

Department SOG's and Officer discretion may dictate what equipment is used for specific situations. Officers should discuss what tools company members are expected to bring from the apparatus to the incident for the following situations:

- Single family dwelling fire
- Multi-family dwelling fire
 - Commercial fire
 - High rise fire
- Vehicle extrication call
- TRT call (Trench, Vertical, Confined Space)

*Answers will differ by department, company and riding position on apparatus.
Answer these questions in each position(s) on apparatus; Officer, Firefighter(s) and Operators*

Legend
 1-Apparatus Operator
 2-Officer
 3-6 Firefighter Positions (Your staffing)

1	2
4	3
6*	5*
	

Describe what each persons tool assignment is for any of the above incident types.
