

Drill Lesson Plan

Extrication Tools Familiarity, Use, and Maintenance.

By: Captain Mike Gallagher

Objective

To give an overall lesson on the “JAWS” from what tools are? How to use them? How to maintain them. Give an overview of the WARN winch on the heavy rescue.

Referenced Materials

TMFD SOG
TNT Owners/Maintenance manual

Topics

- What are the JAWS
- Operations
- Maintenance
- WARN Winch
- Operations
- Maintenance

Safety Considerations

Professionalism
Practice safety with all equipment
Gloved hands when handling tools

Equipment
