Purpose

The purpose of this document is to establish program requirements for Student Firefighters.

Scope

This guideline shall apply to all members of the Clay Fire Territory.

Policy

The Student Firefighter Program allows individuals to participate as an active On-call firefighter while pursuing a full-time college education. Student firefighters are exempt from any call-duty requirements; however, they must meet all other requirements listed for active On-call personnel.

In addition, Student Firefighters:

1. Must be a full-time college student. Generally considered at least twelve (12) credit hours / semester.
2. Must complete a minimum of 24 hours “station time” per month.
